Price Computing Scale						Feature
Weighing Capacity	3kg	6kg	15kg	30kg		Rapid reaction, clear & stable display, high-speed A/D converter & auto-calibration
Division Value	1g	2g	5g	10g		Optional waterproof & oiliness-proof keyboard,easy to operate,reliable performance
Minimum Weighing	20g	40g	100g	200g		10 hours more working time & built-in rechargeable battery.Protection of recharging
Resolution	3000					Capability of anti-jamming
Dimension (mm)	335*355*130 335*335*430 (With Pole)					Application in retailing such as vegetable & meat markets, store, shops and so on
ACS-Ab-1b Price Computing Scale						

Weighing Capacity	1.5kg	3kg	6kg	15kg	Smart design with bright dual-LED display
Division Value	0.5g	1g	2g	5g	Auto-calibration, waterproof & oiliness-proof
Superior Division	0.2g	0.5g	1g	2g	High precision load cell gives fast & exact weighing and display
Minimum	10g	20g	40g	100g	Either AC or DC power supply, with built-in rechargeable battery
Resolution	3000				Easy to operate, reliable performance
Dimension(mm)	225*245*155				
ACS-Aa-5e Weight Counting Scale					

Weighing Capacity	3kg	6kg	15kg	30kg	Widely-used popular scale with smart design and bright LED/LCD pole display
Division Value	1g	2g	5g	10g	(blue LCD backlight)
Minimum Weighing	20g	40g	100g	200g	Auto-calibration & waterproof
Resolution	3000				High precision load cell and microprocessor lead to a fast and exact display
Dimension (mm)	350*330*450				Either AC or DC power supply, with built-in rechargeable battery
ACS-L Pole Price Counting Scale					Easy to operate, reliable performance

Weighing Capacity	3kg	6kg	15kg	30kg	Label and receipt printing
Division Value	1g	2g	5g	10g	Large storage with max 4000 PLU, 31 to 71 preset keys available
Super Division Value	0.5g	1g	2g	5g	Communication interface: RS232 (standard) ether net (option)
Minimum Weighing	20g	40g	100g	200g	9pcs of information for edition and print selection.
Resolution	1/3000F.S				Easy to set label-format and other details freely by software
Dimension (mm)	388*381*160, 428*381*500(with pole)				Manually or automatically printing
					Inventory or report forms printing
ACS-Aa-3b Stand-alone Barcode Scale					Label formats and styles in variety
					Report forms variety and large storage
